Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: The prior art of record taken alone and in combination does not disclose "a data collector comprising a housing, a vibration signal input on said housing, an optical system within said housing, said optical system receiving light from outside said housing, a receiver circuit converting said received light to a digital signal, a digital signal processing circuit connected to said analog to digital converter and said receiver circuit, and simultaneously receiving, storing or processing said digitized vibration signal and said digital signal converted from said received light, in real time, for the purpose of predictive maintenance" as recited in claim 1 and as argued by Applicant. The limitations are neither taught nor made obvious by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
